

Digital Video Production in Student Projects

Digital Humanities Faculty Workshop Series Spring 2018

Dr. Carmela Ferradáns

Professor of Spanish & Mellon Teaching Fellow in Multimodal Literacies

Dr. Stephen Grandchamp

Visiting Assistant Professor of Digital Humanities

Agenda

- **Project Ideas**
- **iMovie Interface**
- **iMovie Basics**
- **iMovie Editing**
- **iMovie Activity**

Project Ideas

- **Documentary films with original research**
- **Video ethnography**
- **Creative adaptations**
- **Trailer remix**

A decorative vertical bar on the left side of the slide, composed of several colored squares: white, red, white, blue, yellow, red, white, and yellow, all enclosed in a thick black border.

Activity

- **Either record film clips using phone or download footage at stephengrandchamp.com/imovie.**
- **Add clips to iMovie.**
- **Add a title.**
- **Add a transition.**
- **Add a filter.**
- **Save file.**

Final Considerations

- You don't need to be an expert in iMovie to use it in your classes.
- Contact me (sgrandch@iwu.edu) for support or guest lecturing for students.
